Difference in pay claim example

Claim:
code 25
$1.00

Text:
Claiming difference in pay account I was used off my assignment _____ to work assignment _____ on train(s) _____ and _____. Engineer _____ ID_____ worked my assignment on these trains _____ and _____.

Notes:
Claim date must be the day that you went to work, not your assignment.
The dollar amount doesn't matter, payroll figures the difference.
Include all engineers and the trains they worked if your assignment happens to catch a turn and gets back out before you get back in the terminal.
Your assignment number is: example you work north end pool turn 5, your assignment is AP-KP-A2-0005.
